YellowPages of America™

It's The Brand You've Grown To Trust

"I just recently started my photography business. At first I was overwhelmed by all the different ways to advertise online. I don't have the budget to take big advertising risks so I went with Yellow Pages of America™ because I know people use it. Thanks for taking the guesswork out of my advertising."

Yellow Pages of America™ is one the leading commercial publishing and search engine companies in the US. With over 30 years experience as a publishing company, our directory BusinessYellowPages.com™ has been in circulation in all 50 states for over 20 years.

YELLOW PAGES OF AMERICA™...ONLINE!

With the ever growing popularity of digital directories, Yellow Pages of America™ made a giant industry shift, supplying all its business resources online. As part of an effort to diversify our traffic reach, we have now strategically positioned BusinessYellowPages.com™ as a complimentary traffic source benefiting YPOA™ Advertisers. With our aggressive SEO tactics and market positioning, BusinessYellowPages.com™ has become another powerful online traffic source. Inheriting sophisticated indexing technologies and SEO tools, BYP has made it possible for businesses to now be found through 2 powerful online Yellow Page Search Engines.

Around the same time the Business Yellow Pages™ book was released, Yellow Pages of America™ also launched the production of a Healthcare publication called MediPages™, North America's premier healthcare business directory. MediPages™, also a subsidiary of YellowPages of America™, has also made its transition to the web. Now, healthcare professionals all over the country can be accessed by web traffic looking for healthcare solutions.

YELLOW PAGES OF AMERICA SUBSIDIARY BRANDS

YellowPages of America™ is the parent company over two primary subsidiary companies BusinessYellowPages.com™ (covering our general business listings), and MediPages.com™ (focused on the Healthcare Industry). BaldFrog™, a custom design firm, is our strategic partner fulfilling all of our in-house and external design needs.

www.businessyellowpages.com

Business Yellow Page™ (BYP) is an aggressive online directory service for the United States market, organizing and promoting American businesses in one comprehensive, easy to use search directory. Owned and operated by Yellow Pages of America™, BYP is a national leader in online directory services with over 25 years of experience in directory publishing and database management. BYP maintains a database of over 11.5 million American businesses with over 700,000 live links in 6,300 business classifications.

www.medipages.com

MediPages.com™ is North America's premier healthcare business directory. Our directory is a quick and extensive listing resource with a vast surplus of healthcare information, facility listings, and general services. MediPages™ is the online leader for providing the healthcare industry quality information for buying and core management decisions. Geared toward professionals in the healthcare industry, we serve approximately 1.5 million listings for North American healthcare services.

COMPARE YPOA TO GOOGLE™

There are thousands of unique ways to advertise online. The challenge is figuring out the most economical way to consolidate and streamline effective marketing applications. Yellow Pages of America™ and BusinessYellowPages.com are the answer to cutting costs, maximizing traffic, and consolidating marketing into one streamlined solution.

Google™

Sponsored Ads are pay per click.

Pay-per-click Ads deplete funds every time someone clicks on your Ad, regardless of interest.

Google Ads are revenue rank only. The only way for top ranking is to pay top premiums.

Unlimited keyword inventory. Unlimited businesses can pay for results with the same keyword.

Vertical Ads rotate.

Ranking is determined by proprietary algorithms, traffic statistics, and link popularity.

Limited number of pages indexed.

The more popularity a keyword has, the more expensive it is.

YellowPages of America™

Web Listings and Text Ads are **unlimited clicks**.

Web Listings and Text Ads run **unlimited clicks** at a low Flat-Monthly-Rate with targeted local traffic.

Horizontal and Vertical Text Ads rotate, providing top ranking opportunities for any business.

Limited Inventory for Single Keyword Horizontal Text Ads. Only 3 Businesses per keyword.

Vertical Ads rotate.

Ranking based on keyword relevancy, meta tags, and site content. **Equal opportunity**.

Unlimited page indexing with Web Listings.

Regardless of keyword popularity, you still pay one **Low Monthly Flat Rate**.

Top Five Reasons To Partner With YPOA

- 1 Target Local Traffic without having to pay costly pay-click-fees
- 2 Equal advertising opportunity for any business to obtain top tier ranking
- 3 Unlimited keywords at one low monthly flat rate fee
- 4 Introductory 50% Discount on all Advertising Products
- 5 Lock in Ads today and your monthly rate is Guaranteed For Life!

GET LISTED. BE FOUND. GO YELLOW!
